PRODUCT INFORMATION

HL Model LED Work Light is a new product featuring an innovative design with an ultra-thin body. It is equipped with high-brightness LEDs for excellent illumination. The die-cast aluminum housing ensures durability and strength. The adjustable stand allows for flexible angle adjustments, and the work light includes a Type-C charging port. Additionally, the stand is equipped with a solar panel for charging, providing a convenient and eco-friendly power solution.

- Die-cast aluminum ensures long-lasting durability.
- Easy to carry and handle.
- Flexible angle adjustments for different needs.
- Versatile and eco-friendly charging options.
- Provides excellent illumination for various tasks.

TECHNICAL INFORMATION

Colour temperature: 3000-8000K

CCT: Single CCT

Battery type: Lithium battery

Charing type: Type-C / Solar panel

CRI: 80+

Efficacy: 120lm/W

Beam angle: 90°

Warranty: 3 Years warranty

LED chip: SMD 2835

Solar panel: Polycrystalline silicon(Purchase separately)

Light module tilt: $\pm 40^\circ$

Temperature range: -10°C to 65°C

IP rating: IP65

LED tests: LM79/LM80

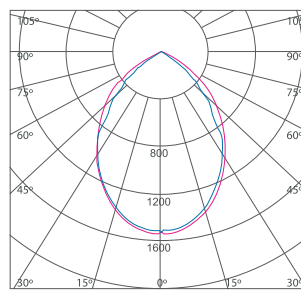

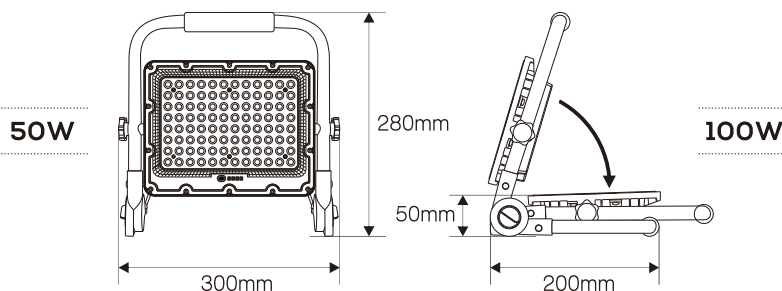

Material type: Aie-cast aluminium body + PC

Body colour: Grey

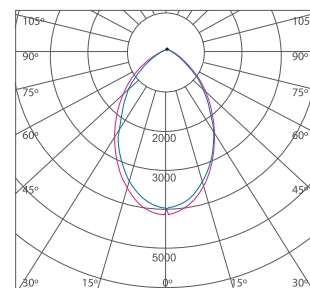

Life: 50000hrs**

Product Model	HS-HL-50W	HS-HL-100W
LED Chip	SMD2835 96pcs	SMD2835 160pcs
Wattage	50W	100W
Luminous Flux	6000Lm	12000Lm
Battery	3.2V/ 8AH	3.2V/ 15AH
Solar Panel	5V /10W	5V/ 15W
